

# Everybody Has a Place

Music and Lyrics by Keith Herbert

## PHOEBE

Everybody has a place in the plan  
Am I essential or just a pair of hands  
Everybody, everybody, everybody has a place

Some are bred for brainy  
Some are bred for brawn  
Some are bred to navigate  
The journey must go on

Delany does the brainy  
Bots can do the brawn  
Are we really needed  
What if we were gone

We stewards tend to argue  
Who is needed least  
Let's send them to the freezer  
So we can find some peace  
But no,  
Everybody has a place in the plan  
Am I essential or just a pair of hands  
Everybody, everybody, everybody has a place

I do my part by teaching  
She does her part with tools  
Nova grunts her strength and stretch  
Bova writes the rules

Luna keeps the records  
Cosmo is the artist  
One would think he's gifted  
But Luna is the smartest

We stewards tend to argue  
Who is needed most  
Let's send them to the freezer  
We can't endure their boast  
Be kind,

Everybody has a place in the plan  
Am I essential or just a pair of hands  
Everybody, everybody, everybody has a place

The frozen put their trust in us  
To keep their world intact  
If they awoke and we were gone  
How would they react

We fly them to their future  
We keep their world alive  
How will they ever thank us  
When so few of us survive

Everybody has a place in the plan  
Am I essential or just a pair of hands  
Everybody, everybody, everybody has a place
