

# **God's Country**

Music and Lyrics by Keith Herbert

## **CASSIE**

In God's Country  
Out here in a boundless sea  
Where adventure and hope fill our sails  
No guide to the vast unknown  
We explore what the cosmos unveils

Stars shine in ordered formation  
Light a trail where we roam  
Fly true to the midst of creation  
Boldly go in search of a home  
In God's country

## **FREDDY**

In God's country

Rich land on an bountiful plain  
And it's green, evergreen for so far

## **CASSIE**

Green grass for so far

## **FREDDY**

Blue sky embraces my house

## **CASSIE/FREDDY**

And the animals graze in the yard

## **FREDDY**

Ride out, the horizon to gaze on

## **CASSIE/FREDDY**

Take a drink from a brook

## **FREDDY**

Soft grass

## **CASSIE/FREDDY**

My sleepy love lays on

## **FREDDY**

Read a tale from a hardcover book  
In God's country

**CASSIE/FREDDY/LEO/PHOEBE**  
In God's country

**PHOEBE**  
We dream

**CASSIE**  
We see

**FREDDY/LEO**  
We need

**CASSIE**  
Stars shine on a boundless sea

**FREDDY**  
I see green evergreen for so far

**CASSIE/FREDDY/LEO/PHOEBE**  
In God's country

**LEO**  
Deep thoughts that can find the truth

**PHOEBE**  
In my heart there's a place I adore

**CASSIE/FREDDY/LEO/PHOEBE**  
In God's Country

**CASSIE**  
Stars shine

**FREDDY**  
Land that is mine

**PHOEBE**  
Be kind

**LEO**  
Truth I can find

**CASSIE/FREDDY/LEO/PHOEBE**

In God's country

In God's country

**LEO**

In God's Country

Deep thoughts that can pierce the veil

On the journey to break through the haze

**FREDDY**

To break through the haze

**LEO**

Mind's eye that can sense the clues

**CASSIE/FREDDY/LEO/PHOEBE**

How it works in mysterious ways

**LEO**

Ask why in my knowledge endeavor

**CASSIE/FREDDY/LEO/PHOEBE**

Seek the tools to explore

**LEO**

Learn more if indeed I am clever

**LEO/PHOEBE**

Serve the quest for truth at its core

**CASSIE/FREDDY/LEO/PHOEBE**

In God's Country

**PHOEBE**

In God's country

Kind words from a sensitive heart

**PHOEBE/FREDDY**

In a story with someone to share

**CASSIE/LEO**

With someone to share

**PHOEBE**

Warm arms are holding me close

**PHOEBE/LEO**

I'm contented in here or out there

**PHOEBE**

Find peace from a place that's within me

**PHOEBE/FREDDY**

Let me be understood

**PHOEBE**

True love forever will win me

Live and love and do it for good

**CASSIE/FREDDY/LEO/PHOEBE**

In God's country

In God's country

In God's country
